Hotel Description

60 rooms, 5 floors

The Newstead Belmont Hills is Bermudas newest full service luxury resort, on the edge of the harbour overlooking the city of Hamilton. Offering guests a range of accommodation options with one-, two- and three-bedroom suites and studios. All suite and studio layouts feature a spacious private balcony or patio offering expansive views. In addition to an inspiring view, the superbly situated suites give a Bermuda experience like no other, combining the comforts of home with the luxury of an island paradise. One of the most important benefits at the Newstead Belmont Hills is the level of personalized service, so your time on the island is as relaxing and restorative as can be. Speaking of time, you will have no trouble filling yours with soothing spa sessions, exclusive golf privileges (including one complimentary round of golf each day during your stay), shopping in downtown Hamilton (just a five-minute private water taxi ride away), quiet strolls on nearby beaches or watching the sailboats from the infinity pool. Other great amenities include a 24hr fitness center, two tennis courses and excellent dining at Beau Rivage or Blu Bar & Grill.
